

POWER UP YOUR BUSINESS

Growth coaching
for small and
micro businesses

- Are you a small business owner with ambitions to grow your company?
- Do you struggle to find the time to work on, rather than in your business?

You can overcome these challenges quickly and easily with tailored, confidential support from an experienced business coach.

It's like having a business partner who genuinely cares about your success!

“The regular coaching sessions allow constant development of my business and, with Barbara having started and grown businesses herself, I know she’s speaking from experience.”

Peter Corkhill, Adventure Holidays Business

Whether your business is brand new or been operating for some time, we can work together to:

- Plan and prepare for growth
- Implement your plan
- Focus on the things that have the highest probability of success
- Solve problems
- Make informed decisions
- Develop your management and leadership skills

At a special rate of just £140* a month, my 6-month Growth Coaching Programme for small and micro businesses includes:

- One 60-minute strategy session
- Two 45-minute coaching calls each month
- Unlimited email support

This personalised programme gives you the support and expertise you need to help your business grow and thrive.
